Douglas N. Gould (“**Trustee**”), trustee in the above-captioned jointly administered bankruptcy case, files this motion (the “**Sale Motion**”) for entry of an order (the “**Sale Order**”) approving the auction sale (the “**Sale**”) of substantially all of the assets (collectively, the “**Tangible Assets**”) of Joe Brown Company, Inc., Case No. 16-15363 (“**JBC**”) and Joe Brown Leasing, Inc., Case No. 16-13565 (“**JBL**”), free and clear of all liens, claims, encumbrances, and interests to the Winning Bidder (as defined under Paragraph No. 8 below). The **JBC Tangible Assets** are identified on the attached **Exhibit “1”**. The **JBL Tangible Assets** are identified on the attached **Exhibit “2”**.

The **Trustee** has filed a **Motion for an Order Establishing Bidding Procedures in Connection with the Sale of Substantially All of the Debtors’ JBC and JBL Assets; (B) Approving the Form and Manner of Notices; (C) and Scheduling Dates for An Auction and Sale Hearing** (the “**Bid Procedures Motion**”) [Dkt. No. 55].¹ The **Order Approving the Bid Procedures Motion** specifies the bidding procedures pursuant to which the **Trustee** proposes to sell the **Tangible Assets**.

In support of this Sale Motion, the Trustee respectfully represents as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction over the Sale Motion pursuant to 28 U.S.C. §§ 1334 and 157. This Motion is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. The statutory bases for the relief requested herein are sections 105 and 363 of title 11, United States Code (the “**Bankruptcy Code**”), and Rules 2002, 4001, and 6004 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

BACKGROUND

¹ Capitalized terms used but not otherwise defined herein have the same meaning ascribed to them in the Bid Procedures Motion.

3. On September 1, 2016, (the “**Petition Date**”), **JBC** and affiliates **JBL** and Joe Brown Holding, Inc. Case No. BK-16-13566 (“**JBH**”) filed voluntary petitions for relief pursuant to Chapter 7 of Title 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Western District of Oklahoma (the “**Bankruptcy Court**”). Thereafter, Douglas N. Gould was appointed Trustee for each of the bankruptcy estates of Debtors. By order entered October 19, 2016 [Doc: 23], the bankruptcy estates of Debtors are being jointly administered. Trustee does not believe that **JBH** was engaged in business other than as the stockholder for **JBL** nor does Trustee believe that **JBH** owns any **Tangible Assets**. The **Tangible Assets** of both **JBC** and **JBL** as identified on the attached **Exhibits “1” and “2”**. Trustee proposes to sell free and clear of liens claims and interests in a single auction **Sale** the assets of **JBC** and **JBL**. **JBC** and **JBL** will be collectively referred to as “**Debtors**” herein.

4. Prior to the **Petition Date**, **Debtors** were transporters of sand, gravel, other aggregates and frac sands. **Debtors’** business depended heavily upon the demand for oilfield services which is in turn was highly dependent upon the price of hydrocarbons. After ceasing operations, the **Debtors’** transportation equipment was marshalled to a yard located at 1650 Sam Noble Parkway, Ardmore, Oklahoma 73401. All **Tangible Assets** including tractors, pneumatic trailers, tankers, belly dumps, end dumps, flat bed trailers and other personal property owned by the **Debtors** and as set forth in more detail on **Exhibits “1” and “2”** continue to depreciate and generate ongoing administrative costs related to securing, storing and maintaining those assets. Where indicated on **Exhibit 1 and Exhibit 2**, the **Tangible Assets** are subject to the security interests of the secured creditors CAT Financial Services Corp. (“**CAT**”), Mercedes Benz Financial Services USA, LLC (“**MBFS**”) and Peoples’ Capital & Leasing, Corporation (“**PCLC**”) (collectively referred to as “**Secured Creditors**”).

5. Accordingly, the Trustee proposes to sell the **Tangible Assets** at an auction (“**Auction**”) to the **Winning Bidder or Bidders** (as defined under Paragraph No. 8 below), subject to the bidding procedures set forth in the **Order Approving the Bid Procedures Motion**, free and clear of all liens, claims, encumbrances, and interests to the fullest extent permitted by Section 363 of the Bankruptcy Code.

RELIEF REQUESTED

6. By and through this **Sale Motion**, upon the conclusion of a hearing to approve the Sale (the “**Sale Hearing**”), the **Trustee** respectfully requests the Court to enter a **Sale Order** approving the **Sale** of the **Tangible Assets**, free and clear of all liens, claims, encumbrances, and interests of any kind to the Winning Bidder.

TERMS OF THE PROPOSED SALE

7. Based upon his investigation of **JBC’S** and **JBL’s** assets and affairs (including, without limitation, the existing liens encumbering the **JBL’s Tangible Assets**), the **Trustee** believes that it is in the best interests of **JBC’S** and **JBL’s** estate and creditors to pursue the Sale of the **Tangible Assets** under Sections 105 and 363 of the Bankruptcy Code. The **Trustee** further believes that marketing for the highest and best offer(s) and conducting the **Auction** will enable **JBC’S** estate and **JBL’s** estate to maximize value for all creditors.

8. The Trustee intends to conduct the Auction on **April 11, at 9:00 A.M. (prevailing Central Time)** at the Debtors’ yard and offices located at 1650 Sam Noble Parkway, Ardmore, OK 73401, or at such other time or other place to be determined by the **Trustee**. The **Trustee** proposes to use the following procedures for the Auction:

- Only **Qualified Bidders** that have submitted Qualified Bids will be entitled to make a bid at the Auction;
- Each **Qualified Bidder** may appear in person or have an authorized representative appear on the Qualified Bidder’s behalf; Each Qualified Bidder

may appear telephonically to a conference call number to be provided to all Qualified Bidders at least 2 business days before the sale.

- Each **Qualified Bidder** participating in the Auction will be required to confirm that it has not engaged in any collusion with respect to the bidding or the Sale.
- The **Trustee**, in his reasonable business judgment and in consultation with the **Secured Creditors**, based in part on the terms of the **Qualified Bids** received, the number of **Qualified Bidders** participating in the Auction, and such other information as may be relevant, will conduct the Auction in the manner which he determines will best promote the goals of the bidding process and will achieve the maximum value for the **Tangible Assets**;
- At the Auction, **Qualified Bidders** will be permitted to increase their Qualified Bids (such increased Qualified Bid, a “**Qualified Overbid**”), provided that such **Qualified Overbid** must exceed the next highest bid by the qualified increment set forth in Paragraph A.2 of the Bidding Procedures attached to the Bid Procedures Motion as Exhibit “3” (“**Qualified Increment(s)**”). In the case of the Secured Creditors, each **Qualified Overbid** may take the form of additional credit bid amounts in **Qualified Increments** up to the allowed amount of each of the secured creditors claim against the Debtor with respect to each Secured Creditor’s collateral as referenced in **Exhibit “2”** and only with respect to the respective Lots that comprise the **Secured Creditor’s** Collateral.
- **Qualified Bidders** may then submit successive bids in **Qualified Increments**, *provided, however*, that the Trustee, in consultation with the **Secured Creditors**, shall retain the right to modify, in his reasonable business judgment, the bid increment requirements at the Auction.
- At the conclusion of the Auction or, if no other **Qualified Bids** are received by the Bid Deadline, then as soon as practicable after the Bid Deadline, the Trustee, in consultation with the **Secured Creditors**, shall review each **Qualified Bid** on the basis of the factors relevant to the bidding process, including those factors affecting the speed and certainty of consummating the Sale, and identify the highest, best and/or otherwise financially superior offer for the Tangible Assets (the “**Winning Bid**” and the entity or individual submitting such Winning Bid, the “**Winning Bidder**”). There may be only one **Winning Bid** for each Lot, or alternatively, one Winning Bid for a bulk purchase. No credit bid will be allowed or accepted as a Bulk Bid. The Trustee, in consultation with the **Secured Creditor**, shall also name the entity presenting the next highest bid (the “**Next Highest Bid**”) and the entity or individual presenting same (the “**Next Highest Bidder**”). At the Sale Hearing, the Trustee shall present the **Winning Bid** and **Next Highest Bid** to the Court for approval. The Trustee’s presentation of the announced Winning Bid to the Court for approval does not constitute the Trustee’s acceptance of

such Winning Bid. The Trustee shall have accepted a Winning Bid only when the Court has approved such bid.

- A 10% **Buyer's Premium** shall be added to all **Winning Bids** except that if any of the Secured Creditors are the **Winning Bidder** with a credit bid, then no **Buyer's Premium** shall be charged.
- The Trustee, in consultation with the **Secured Creditors**, may continue the Auction from time to time, adjourn the Auction at any time and re-open the Auction at any time prior to the commencement of the Sale Hearing. In no event shall the Auction extend beyond the date set for the Auction.
- The Trustee reserves all rights to terminate the bidding process at any time if the Trustee determines, in his reasonable business judgment, in consultation with **Secured Creditors**, that the bidding process will not maximize the value of the Debtor's bankruptcy estate. In addition, the Trustee reserves all rights, after consultation with the Secured Creditors, not to accept any bid that is not acceptable for approval to the Court. Without limiting the generality of the foregoing, the Trustee, in consultation with Secured Creditors, may reject, at any time before entry of an Order from the Court approving the Sale, approving any bid that, in the Trustee's discretion, is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code or the Bidding Procedures, or (iii) contrary to the best interests of the Debtor, its estate and its creditors.

9. The **Tangible Assets** are subject to the security interests/liens claimed by the Secured Creditors. Trustee believes, except as noted, a reasonable probability exists that the sales price for the **Tangible Assets** will exceed the Secured Creditors' Claims.

10. A portion of **CAT's** secured claim is \$93,315.38 secured by 6 2011 Trail King trailers. The value of the Trail King trailers subject to **CAT's** secured lien exceeds the amount of its secured claim. The remaining portion of **CAT's** secured claim is \$156,314.03 secured by 5 2012 Polar Pneumatic Trailers. The value of the 2012 Polar Pneumatic Trailers is \$114,000.00, At **CAT's** option, the 4 2012 Polar Pneumatic Trailers in **JBL's** possession will be included in the sale or will be surrendered to **CAT**. If **CAT** agrees to include the 4 2012 Polar Pneumatic Trailers in the sale, **CAT** will be allowed to credit bid up to the amount of the \$96,000.00 value of the 4 2012 Polar Pneumatic Trailers in **JBL's** possession.

11. **MBFS's** secured claim is \$539,000.00. The value of MBFS's collateral exceeds its secured claim. MBFS's shall be allowed to credit bid up to the \$539,000.00 of its secured claim.

12. **PCLC's** secured claim is in excess of \$78,496.18. The value of PCLC's collateral is \$86,000. PCLC shall be allowed to credit bid up to the \$86,000.00 allowed amount of its secured claim.

13. If no Qualified Bid is received with respect to Lots 1, 2, 3, 4, 5, 6 and 7 by the Bid Deadline, then the Auction will not be held with respect to Lots 1-7 and the automatic stay shall terminate and the assets composing Lots 1-7 shall be abandoned authorizing the Secured Creditors to immediately take possession of the Tangible Assets subject to the security interests of **CAT, MBFS** and **PCLC** without any further action by the Secured Creditors.

14. Accordingly, the Trustee, in the exercise of his reasonable business judgment, believes that the Sale is in the best interest of all parties and represents the best opportunity for the Debtor to maximize recoveries for its estate and creditors.

15. Trustee has employed Business Valutors & Appraiser, L.L.C. ("**BVA**") to conduct the Auction sale as ordered by the Court [Dkt. 26].

16. **BVA** will assist with the individual asset auction by identifying and contacting potential buyers as described below:

- i. **BVA** will advertise nationally and internationally by direct mail, full color brochures and complete website access, prominent periodicals and newspapers (collectively the "**Media**"). A complete catalog is provided to every registered auction bidder.

- ii. **BVA** will set-up online Internet auction bidding services through TMLive.

- iii. Auction proceeds including the 10% Buyers Premium will be tallied and

confirmed by **BVA** and paid to the Bankruptcy Estate as soon as practical, but no later than ten (10) banking days following the auction.

- iv. **BVA** will provide auction site, security and maintain an internet based, due diligence site which includes maintenance records.
- v. **BVA** will make all units operable via key start that are economically feasible to start.
- vi. **BVA** will provide original and negotiable titles prior to auction.
- vii. **BVA** will provide a list of buyer prospects which **BVA** has been in contact with regarding Lot Bid and/or Bulk Bid Proposals.

I. THE TRUSTEE'S SALE OF THE TANGIBLE ASSETS TO THE WINNING BIDDER SHOULD BE APPROVED PURSUANT TO SECTION 363(b)(1) OF THE BANKRUPTCY CODE.

17. Section 363(b)(1) of the Bankruptcy Code provides that “[t]he trustee, after notice and a hearing, may use, sell or lease, other than in the ordinary course of business, property of the estate”. 11 U.S.C. § 363(b)(1). Courts have uniformly held that approval of a proposed sale of property pursuant to Section 363(b) of the Bankruptcy Code is appropriate if a court finds that the proposed sale represents a reasonable business judgment on the part of the trustee or debtor-in-possession. *See Institutional Creditors of Continental Air Lines, Inc. v. Continental Air Lines, Inc.*, 780 F.2d 1223, 1226 (5th Cir. 1986) (applying reasonable business judgment standard to sale of assets under section 363(b) of the Bankruptcy Code); *In re Lionel Corp.*, 722 F.2d 1063, 1071 (2d Cir. 1983); *In re Donohue*, 410 B.R. 311, 315 (Bankr. D. Kan. 2009); *In re Buerge*, 479 B.R. 101, 106 (Bankr. D. Kan. 2012); *In re Med. Software Solutions*, 286 B.R. 431, 439–40 (Bankr. D. Utah 2002).

18. In addition, a bankruptcy trustee or debtor-in-possession’s business judgment is entitled to substantial deference with respect to the procedures to be used in selling assets of the

estate. *See, e.g., Official Committee of Subordinated Bondholders v. Integrated Resources, Inc. (In re Integrated Resources, Inc.)*, 147 B.R. 650, 656-57 (Bankr. S.D.N.Y. 1992) (noting that the proposed bidding procedures are to be reviewed according to the deferential “business judgment” standard, under which such procedures are “presumptively valid”). Here, the Trustee’s proposed Sale is reasonable, appropriate, and within the Trustee’s sound business judgment, because it will serve to maximize the value of the Debtor’s estate.

19. In addition to a sound business purpose, courts require that there be adequate and reasonable notice of the sale and a fair and reasonable price and good faith negotiations with the buyer. *See In re Abbotts Dairies*, 788 F.2d at 147; *In re Buerge*, 479 B.R. at 106; *In re JL Bldg., LLC*, 452 B.R. 854, 859 (Bankr. D. Utah 2011); *In re Med. Software Solutions*, 286 B.R. at 439-40.

20. Ultimately, though, the paramount goal of any proposed sale of property of a debtor is to maximize the value received by the estate, and courts uniformly agree that competitive bidding maximizes value and is appropriate in the bankruptcy context. *See, e.g., Four B. Corp. v. Food Barn Stores, Inc. (In re Food Barn Stores, Inc.)*, 107 F.3d 558, 564-65 (8th Cir. 1997) (with reference to bankruptcy sales, “a primary objective of the Code [is] to enhance the value of the estate at hand.”); *In re Buerge*, 479 B.R. at 106 (“The trustee’s duty is to maximize the value obtained from a sale.”); *In re C.W. Min. Co.*, 08-20105 JAB, 2010 WL 841395 (Bankr. D. Utah Mar. 2, 2010) (courts “must always scrutinize whether a trustee has fulfilled his duty to maximize the value obtained from a sale”); *In re Psychrometric Sys., Inc.*, 367 B.R. 670, 674, 76 (Bankr. D. Colo. 2007) (recognizing the “strong policy favoring competitive bidding” for sales in bankruptcy proceedings); *Integrated Resources*, 147 BR. at 659 (“It is a well-established principle of bankruptcy law that the Debtor’s duty with respect to such sales is to obtain the highest price or greatest overall benefit possible for the estate.”) (quoting

Cello Bag Co. v. Champion Int'l Corp. (In re Atlanta Packaging Prods., Inc.), 99 B.R. 124, 131 (Bankr. ND. Ga. 1988)).

21. The Trustee submits that his decision to propose the Sale of the **Tangible Assets** is a reasonable business one in light of the circumstances and is in the best interest of the Debtor's estate and its creditors. The Trustee further submits that the proposed Sale presents the best opportunity to realize the maximum value of the Tangible Assets for distribution to creditors and is necessary to preserve the value of the Tangible Assets for the Debtor's estate and its creditors. And, because the proposed Sale will be conducted pursuant to the Auction procedures outlined under Paragraph No. 8 above and the Bidding Procedures attached as Exhibit "3" to the Bid Procedures Motion, it will very likely yield the highest and best offer for the Tangible Assets. Accordingly, the Trustee submits that the Sale of the Tangible Assets is an appropriate exercise of the Trustee's business judgment.

II. THE TRUSTEE'S SALE OF THE TANGIBLE ASSETS SHOULD BE APPROVED PURSUANT TO SECTION 363(F) OF THE BANKRUPTCY CODE.

22. At the Sale Hearing, the Trustee will seek entry of the Sale Order authorizing and approving the Sale of the Tangible Assets to the Winning Bidder, free and clear of all liens, claims, encumbrances, and interests pursuant to Section 363 (f) of the Bankruptcy Code.

23. Section 363(f) of the Bankruptcy Code permits a bankruptcy trustee to sell property under Section 363(b) of the Bankruptcy Code "free and clear of any interest in such property" if one of the following conditions is satisfied:

- (1) applicable non-bankruptcy law permits the sale of such property free and clear of such interest;
- (2) such entity consents;
- (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
- (4) such interest is in bona fide dispute; or
- (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

24. One or more of the conditions set forth in Section 363(f) of the Bankruptcy Code will be satisfied with respect to the Sale of the Tangible Assets. For example, Section 363(f)(2) of the Bankruptcy Code will be satisfied because each of the parties claiming an interest in and to the Tangible Assets, if any, will consent, or absent any objection to this Sale Motion, will be deemed to have consented to the Sale of the Tangible Assets.

25. In addition, applicable case law provides that a sale of a debtor's assets free and clear of all liens, claims, encumbrances, and interests is permissible under Section 363(f) of the Bankruptcy Code so long as the liens, claims, encumbrances, and interests attach to the net proceeds of the sale. *Folger Adam Security, Inc. v. DeMatteis/MacGregor, JV*, 209 F.3d 252, 259 (3d Cir. 2000) ("The holdings of the courts suggest that any interest in property that can be reduced to a money satisfaction constitutes a claim for purposes of section 363(f) and, therefore, attaches to the proceeds of the sale."); *In re Elliot*, 94 B.R. 343, 345 (ED. Pa. 1988). Here, any interest claimed in and to the Tangible Assets will attach to the Sale proceeds to the same extent, validity and priority that existed prior to the Sale of the Purchased Assets, thereby satisfying Section 363(f) of the Bankruptcy Code

26. Accordingly, the Trustee's proposed Sale of the Tangible Assets, free and clear of all liens, claims, encumbrances, and interests is permissible under, and should be approved pursuant to, Section 363 (f) of the Bankruptcy Code.

III. THE WINNING BIDDER SHOULD BE FOUND TO BE A GOOD FAITH BUYER.

27. Section 363(m) of the Bankruptcy Code states:

The reversal or modification on appeal of an authorization under subsection (b) or (c) of this section or lease of property does not affect the validity of a sale or lease under such authorization to an entity that purchased or leased such property in

good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale or lease were stayed pending appeal.

11 U.S.C. § 363(m).

28. While the Bankruptcy Code does not define “good faith”, the Tenth Circuit has held that the standard for a good faith purchaser is one who buys (i) in “good faith,” i.e., through a sale that does not involve fraud or collusions, and (ii) for value. *See In re Indep. Gas & Oil Producers, Inc.*, 80 Fed. Appx. 95, 99-100 (10th Cir. 2003) (citing *Tompkins v. Frey (In re Bel Air Associates, Ltd.)*, 706 F.2d 301 (10th Cir. 1983)); *Plotner v. AT&T*, 172 B.R. 337, 341 (W.D. Okla. 1994) (“A sale lacks good faith when it ‘involves fraud, collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders.’”) (citations omitted); *In re Abbotts Dairies*, 788 F.2d at 147 (“The requirement that a purchaser act in good faith . . . speaks to the integrity of his conduct in the course of the sale proceedings. Typically, the misconduct that would destroy a buyers good faith status at a judicial sale involves fraud, collusion between the buyer or the trustee, or an attempt to take grossly unfair advantage of other bidders.”); *see also In re Sasson Jeans, Inc.*, 90 B.R. 608, 610 (S.D.N.Y. 1988) (quoting *In re Bel Air Assocs., Ltd.*, 706 F.2d 301, 305 (10th Cir. 1983)).

29. The Trustee will present evidence at the Sale Hearing showing that the proposed sale transaction finalized with the Winning Bidder is the result of and due to the open and competitive nature of the Bidding Procedures attached as Exhibit “3” to the Bid Procedures Motion, and will be the result of arm’s length negotiations in good faith. In addition, the proposed sale transaction with the Winning Bidder will necessarily be “for value,” as it will be the result of an open marketing process that will set the value for the Tangible Assets. The Trustee, therefore, requests that the Court make a finding at the Sale Hearing that the Winning Bidder has acted in good faith within the meaning of Section 363(m) of the Bankruptcy Code.

IV. THE FOURTEEN (14) DAY STAY PROVIDED FOR IN BANKRUPTCY RULE 6004(H) SHOULD BE WAIVED.

30. Due to the increasing administrative expenses of the Debtor's estate combined with the rate at which the Tangible Assets are depreciating, an immediate need exists to facilitate the orderly and, more importantly, timely Sale of the **Tangible Assets**. Therefore, the Trustee requests the Court to lift the stay provided by Bankruptcy Rule 6004(h), so that the Sale of the Tangible Assets can be finalized immediately upon the entry of the Sale Order.

V. CONCLUSION.

For the above-stated reasons, the Trustee respectfully requests the Court to grant the relief requested in this Sale Motion and such other and further relief to which the Court considers the Trustee entitled under the circumstances.

Respectfully submitted this 22nd day of February, 2017.
